

Family Court Advisory Council Public Forum

This forum is designed to provide Maricopa County Superior Court customers and members of the public an opportunity to address concerns, ask questions and make recommendations on ways to improve Family Court Services.

You are invited to be a part of this effort to improve communication with the court and interested parties.

Council members include judges, court administrators, law enforcement officials, parents, mental health professionals and representatives of the Governor's Office, Attorney General's Office, Community Legal Services and the Ecumenical Council.
